HARRAH'S CASINO HOTEL ATLANTIC CITY
NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(Dollars in Thousands)

NOTE 1 - ORGANIZATION AND BASIS OF PRESENTATION

Marina Associates and Subsidiary (the "Partnership") operates as a General Partnership and owns and operates a casino hotel resort located in the Marina District of Atlantic City, New Jersey known as Harrah's Casino Hotel Atlantic City. The Partnership is an indirect, wholly-owned subsidiary of Harrah's Operating Company, Inc. ("HOC"), which is a direct wholly-owned subsidiary of Harrah's Entertainment, Inc. ("Harrah's"). A substantial portion of the Partnership's revenues is derived from gaming and supporting hotel operations.

Construction began in first quarter 2006 on a \$550,000 upgrade and expansion of the resort ("The Project"), which will include a new hotel tower with approximately 960 rooms, a casino expansion and retail and entertainment complex. A new buffet and most of the retail center opened on February 16, 2007. The new hotel tower is expected to open in the second quarter of 2008 (see Note 13).

The Partnership is licensed to operate the facility by the New Jersey Casino Control Commission (the "CCC") and is subject to rules and regulations established by the CCC. The Partnership's license is subject to renewal every four years with the current license expiring in April 2008.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation - The accompanying consolidated financial statements include the account balances of the Partnership and its wholly-owned subsidiary, Reno Crossroads LLC ("Reno"). As a result, all material intercompany transactions and balances have been eliminated in consolidation.

Allowance for Doubtful Accounts - The Partnership reserves an estimated amount for receivables that may not be collected. The methodology for estimating the allowance includes using specific reserves and applying various percentages to aged receivables. Historical collection rates are considered, as are customer relationships, in determining specific allowances. As with many estimates, management must make judgments about potential actions by third parties in establishing and evaluating the allowance for bad debts.

Inventories - Inventories of provisions and supplies are valued at the lower of average cost, or market.

Land, Buildings and Equipment - Land, buildings, and equipment are stated at cost, including capitalized interest on intercompany funds used to finance construction calculated at Harrah's overall weighted-average borrowing rate of interest. The Partnership capitalized approximately \$2,128 and \$259 of interest in 2006 and 2005, respectively.

Improvements that extend the life of the asset are capitalized. Building improvements are depreciated over the remaining life of the building. Maintenance and repairs are expensed as incurred.

Depreciation is provided using the straight-line method over the shorter of the estimated useful life of the asset or the related lease term, as follows:

Land improvements	12 years
Buildings and improvements	30 to 40 years
Furniture, fixtures and equipment	3 to 12 years

HARRAH'S CASINO HOTEL ATLANTIC CITY
NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(Dollars in Thousands)

The Partnership reviews the carrying value of land, buildings and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When undiscounted expected future cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of the asset. The factors considered by the Partnership in performing this assessment include current operating results, trends and prospects, as well as the effect of obsolescence, demand, competition and other economic factors.

Investments in Subsidiaries - During 1999, the Partnership, through its wholly owned subsidiary Reno Crossroads LLC ("Reno"), acquired a parcel of land in Reno, Nevada for approximately \$10,325. The existing facilities located on the parcel site were demolished and a new plaza was constructed on the site at a cost of approximately \$2,365. On February 1, 2000, Reno entered into an agreement to lease this parcel of land to HOC for a period of twenty years at a fixed rent of \$1,120 per year.

Financial Instruments - The carrying amount of receivables and all current liabilities approximates fair value due to their short-term nature. The fair value of a financial instrument is the amount at which the instrument could be exchanged in a current transaction between willing parties. After giving effect to their allowances, the Casino Reinvestment Development Authority ("CRDA") bonds and deposits approximately reflect their fair value based upon their below market interest rates. The carrying amount of long-term debt is estimated to approximate its fair value as the stated rates approximate current rates

CRDA Real Estate Project - The Partnership's investment in its CRDA real estate project (the "Project") consists of various townhomes, an apartment building and a retail store outlet in the northeast section of Atlantic City, NJ. Based upon an agreement with the CRDA, the Partnership may sell certain parts of the Project and will operate certain other parts for a period of up to 20 years.

Income or loss from the operation of the Project is included in the results of operations. Buildings are being depreciated using the straight-line method based on an estimated useful life of 27.5 years.

Revenue Recognition - Casino revenues consist of the net win from gaming activities, which is the difference between gaming wins and losses. Food, beverage, rooms and other revenues include the aggregate amounts generated by those departments.

Rewards Program - Our customer loyalty program, Total Rewards, offers incentives to customers who gamble at certain of our casinos throughout the United States. Under the program, customers are able to accumulate, or bank, Reward Credits over time that they may redeem at their discretion under the terms of the program. The Reward Credit balance will be forfeited if the customer does not earn a Reward Credit over the prior six-month period. As a result of the ability of the customer to bank the Reward Credits, we accrue the expense of Reward Credits, after consideration of estimated breakage, as they are earned. The value of the cost to provide Reward Credits is expensed as the Reward Credits are earned and is included in Casino expense on our Consolidated Statements of Income. To arrive at the estimated cost associated with Reward Credits, estimates and assumptions are made regarding incremental marginal costs of the benefits, breakage rates and the mix of goods and services for which Reward Credits will be redeemed. We use historical data to assist in the determination of estimated accruals. At December 31, 2006 and 2005, \$4,279 and \$4,234, respectively, was accrued for the cost of anticipated Total Rewards credit redemptions.

HARRAH'S CASINO HOTEL ATLANTIC CITY
NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(Dollars in Thousands)

In addition to Reward Credits, customers can earn points based on play that are redeemable in cash ("cash-back points"). We accrue the cost of cash-back points, after consideration of estimated breakage, as they are earned. The cost is recorded as contra-revenue and included in Casino promotional allowances on our Consolidated Statements of Income. At December 31, 2006 and 2005, the liability related to outstanding cash-back points, which is based on historical redemption activity, was \$1,449 and \$1,173, respectively.

Casino Promotional Allowances - Casino promotional allowances consist of the retail value of complimentary food and beverages, accommodations, admissions and entertainment provided to casino patrons. Also included is the value of the coupons redeemed for cash at the property. The estimated costs of providing such complimentary services are classified as casino expenses in the accompanying statements of income. These costs consisted of the following at December 31:

	<u>2006</u>	<u>2005</u>
Food and beverage	\$ 29,922	\$ 25,814
Rooms	14,347	13,939
Other	5,680	5,357
Other Cash Complimentaries	<u>61,610</u>	<u>53,630</u>
	<u>\$111,559</u>	<u>\$ 98,740</u>

Income Taxes - The accompanying consolidated financial statements do not include a provision for federal income taxes, since any income or losses allocated to the partners are reportable for federal income tax purposes by each partner.

In accordance with regulations prescribed by the New Jersey Casino Control Act, the Partnership files a state income tax return on behalf of the partners. Accordingly, the accompanying consolidated financial statements include a provision for state income taxes.

Deferred tax assets and liabilities represent the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of a change in existing tax rates is recognized as an increase or decrease to the tax provision in the period that includes the enactment date.

Use of Estimates - The preparation of these financial statements in conformity with generally accepted accounting principles requires the Partnership to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from these estimates.

NOTE 3 - RELATED PARTY TRANSACTIONS

The Partnership participates with HOC and its other subsidiaries in marketing, purchasing, insurance, employee benefit and other programs that are defined and negotiated by HOC on a consolidated basis. The Partnership believes that participating in these consolidated programs is beneficial in comparison to the terms for similar programs that it could negotiate on a stand-alone basis.

Certain of the more significant intercompany relationships between the Partnership and HOC are discussed in this footnote.

Cash Activity with HOC and Affiliates - The Partnership transfers cash in excess of its operating and regulatory needs to HOC on a daily basis. Cash transfers from HOC to the Partnership are also made based upon the needs of the Partnership to fund daily operations, including accounts payable and payroll, as well as capital expenditures. No interest is earned on the amount shown as due from affiliates, net, in the accompanying consolidated financial statements.

Employee Benefit Plans - HOC maintains a defined contribution savings and retirement plan in which the nonunion employees of the Partnership may participate. The plan, among other things, provides for pre-tax and after-tax contributions by employees. Under the plan, participating employees may elect to contribute up to 50 percent of their eligible earnings. The employer matches 50 percent of the first six percent of employees' contributions. Amounts contributed to the plan are invested, at the participant's direction, in up to 16 separate funds, including a Harrah's company stock fund. The Partnership's contribution expense totaled \$1,278 and \$1,228 in 2006 and 2005, respectively. Participants become vested in the matching contributions over five years of credited service.

Certain employees of the Partnership are covered by union-sponsored, collectively bargained multi-employer pension plans ("the Pension Plans"). The Partnership's contribution expense totaled \$2,392 and \$2,036 in 2006 and 2005, respectively. The Pension Plan's administrators do not provide sufficient information to enable the Partnership to determine their share, if any, of unfunded vested benefits.

HOC also maintains deferred compensation plans and an Executive Supplemental Savings Plan, under which certain employees of the partnership may defer a portion of their compensation. The expenses charged by HOC to the Partnership for its employees' participation in these programs are included in the administrative and other services charge discussed below.

Equity Incentive Awards - Harrah's maintains equity incentive awards plans in which employees of the Partnership may participate. Harrah's allocates an appropriate amount of cost for these awards to each subsidiary where employees participate.

Under these plans, non-qualified stock options, restricted stock, stock appreciation rights ("SARs"), performance shares, performance stock units, dividend equivalents, stock payments, deferred stock, restricted stock units, other stock-based awards and performance-based awards may be granted to employees or consultants of Harrah's and its subsidiaries, including the Partnership and members of Harrah's Board of Directors. Currently, only non-qualified stock options, SARs and restricted stock are outstanding under these plans.

NOTES TO FINANCIAL STATEMENTS

(Dollars in Thousands)

Effective January 1, 2006, Harrah's adopted SFAS No. 123 (revised 2004), *Share-Based Payment*, using the modified prospective application and, therefore, Harrah's results for prior periods were not restated and no expense was allocated to the Partnership.

Stock Options - Stock option awards typically vest in equal installments on January 1 following the grant date and on January 1 in each of the two subsequent years and allow the option holder to purchase stock over specified periods of time, generally seven years from the date of grant, at a fixed price equal to the market value at the date of grant. The Partnership recognized approximately \$437 for stock option expense in 2006. This expense is included in charges from affiliates in the accompanying statements of income.

Stock Appreciation Rights - SARs typically vest in equal installments on June 30 of the year following the year of the grant date and on June 30 in each of the two subsequent years. SARs allow the holder to receive a payment, in cash or stock, equal to the excess of the fair market value of a specified number of shares of stock on the date the SARs are exercised over an exercise price per share, which typically is the fair market value on the date the SARs were granted. The Partnership recognized approximately \$108 for SARs expense in 2006. This expense is included in charges from affiliates in the accompanying statements of income.

Restricted Stock - Restricted share grants of Harrah's stock have restrictions that may include, but not be limited to, the right to vote, receive dividends on or transfer the restricted stock. Restricted shares may be subject to forfeiture during a specified period or periods prior to vesting. These shares issued generally vest in equal annual installments over a three year period. The compensation arising from a restricted stock grant is based upon the market price of Harrah's stock at the grant date. Such expense is deferred and amortized to expense over the vesting period. The Partnership recognized approximately \$250 of compensation expense in 2006 related to Harrah's restricted stock. This expense is included in charges from affiliates in the accompanying statements of income.

Administrative and Other Services - The Partnership is charged a fee by HOC for administrative and other services (including consulting, legal, marketing, information technology, accounting and insurance). The Partnership was charged \$15,404 and \$13,739 for these services for the twelve months ended December 31, 2006 and 2005, respectively and \$ 3,597 and \$ 3,699 for three months ended December 31, 2006 and 2005 respectively. The fee is included in charges from affiliates in the accompanying consolidated statements of income

Promissory Note	<u>\$650,000</u>	<u>\$650,000</u>

On October 31, 2001, the Partnership and HOC consummated a promissory note for \$650,000. All principal and interest outstanding on the promissory note is due and payable on demand to HOC. Interest is computed on an annual basis using 360 days for the actual number of days elapsed during a year, and an annual rate of eight percent. Any amount of principal not paid by the Partnership to HOC when due will bear an additional two percent annual interest rate. On March 12, 2003, the eight percent Promissory Note was assigned to Harrah's Entertainment Limited ("HEL"). Neither the term nor the amount of debt was affected by this assignment. Based on the affiliate's agreement not to demand repayment prior to January 1, 2008, these amounts have been classified as non-current in the accompanying balance sheet. As of December 31, 2006 and 2005, there was accrued interest of \$8,667 and \$52,000, respectively, on the balance sheet related to the intercompany note. Since the eight percent Promissory Note is due to an affiliate, a determination of fair value is not considered meaningful.

NOTE 13 – COMMITMENTS AND CONTINGENCIES

HARRAH'S CASINO HOTEL ATLANTIC CITY
NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(Dollars in Thousands)

Litigation - The Partnership is involved in various claims and legal actions arising in the ordinary course of business. In the opinion of management, these matters will not have a material effect on the Partnership's financial position or results of operations.

Insurance Reserve - The Partnership is self-insured for various levels of general liability coverage. Insurance claims and reserves include the accrual of estimated settlements for known and anticipated claims. Accrued expenses and other current liabilities in the accompanying balance sheets includes insurance allowances of \$275 and \$75 as of December 31, 2006 and 2005, respectively. Actual results may differ from these reserve amounts.

CRDA Investment Obligation - The New Jersey Casino Control Act provides, among other things, for an assessment of licensees equal to 1.25% of their gross gaming revenues in lieu of an investment alternative tax equal to 2.5% of gross gaming revenues. The Partnership may satisfy this investment obligation by investing in qualified eligible direct investments, by making qualified contributions or by depositing funds with the CRDA. Funds deposited with the CRDA may be used to purchase bonds designated by the CRDA or, under certain circumstances, may be donated to the CRDA in exchange for credits against future CRDA investment obligations. CRDA bonds have terms up to 50 years and bear interest at below market rates. The Partnership includes CRDA investment bonds and funds on deposit in deferred charges and other non-current assets in the accompanying balance sheets totaling \$4,259 and \$12,965, respectively, at December 31, 2006 and \$4,272 and \$10,298, respectively, at December 31, 2005. The Partnership records charges to operations to reflect the estimated net realizable value of its CRDA investment.

To satisfy current Atlantic City obligations as well as those projected beyond the year 2003, the Partnership received approval from the CRDA for a qualified direct investment project to construct various townhomes, an apartment building and a retail store outlet in the northeast section of Atlantic City ("CRDA real estate project") at an estimated cost to the Partnership of approximately \$54,573. As of December 31, 2006 and 2005, approximately \$1,594 and \$6,044, respectively, represents a prepayment of the Partnership's future obligations to the CRDA related to the CRDA real estate project. The prepaid asset is being amortized over the related Atlantic City obligation period and is included in deferred charges and other non-current assets in the accompanying balance sheets.

The Partnership has committed approximately \$9,589 of its current and future CRDA deposit obligations for the refurbishment of the Atlantic City Convention Center. The amount is amortized on a straight-line basis over a 15-year period commencing September 2001.

The twelve Atlantic City casino properties (the "AC Industry") and the CRDA have entered into an agreement with the New Jersey Sports & Exposition Authority (the "NJSEA") to provide funding to subsidize New Jersey's horseracing industry. In exchange for this funding, the NJSEA and the three active New Jersey racetracks will not conduct any casino gaming at the racetracks prior to January, 1 2009. As part of the agreement, the AC Industry will provide \$34,000 over a four year period to the NJSEA and must deposit another \$62,000 in the Casino Expansion Fund (managed by the CRDA). The \$62,000 will be derived from funds either currently on

deposit or to be deposited with the CRDA pursuant to each casino property's investment obligation. The Partnership's obligation is equal to its fair-share of AC Industry casino revenues. The Partnership estimates this commitment over the four year period to be \$3,215 the first payment of which was made November 2004. This amount will be charged to operations on a straight line basis through January 1, 2009. Once the Partnership meets its deposit obligation related to its fair share of the \$62,000, the Partnership is eligible to receive funds from the Casino Expansion Fund for qualified construction expenditures. The Partnership has until June 30, 2014 to submit an application to exhaust its share of the Casino Expansion Fund. Any funds not transferred out of the Casino Expansion Fund by the required date will be transferred to funds on deposit with the CRDA pursuant to its ongoing investment obligations.

Purchases - At December 31, 2006, the Partnership is obligated under purchase commitments totaling approximately \$187,732 relating to the Project. Costs incurred under the Project were approximately \$115,580 and are included in Construction in Progress in Property and Equipment - Gross in the accompanying balance sheet as of December 31, 2006.
